Beatboxers from all over the UK have taken part in heats in Nottingham, London, Leeds and Bristol to come together for the Vauxhall Beatbox Championship final meaning that only the very best will take home the title. Having been won two years in a row by the excellent Beardyman, there is an opening for a newcomer now as he has graciously stepped down to allow some new blood to walk away with the winnings.

Included in the judging panel for this final beatboxing competition are Hobbit and Bellatrix, who along with Beardyman himself will be telling the beatboxers whether they have got what it takes to make it to the top. So whether you are one of the lucky ones to have got through to the Vauxhall Beatbox Championship final or know someone who has, you can be sure that there will be plenty of talent out there on the night.

An amazing prize awaits the winner of this year's competition as the Vauxhall Beatbox Championship final will crown the present beatboxer with a brand new Corsa SXi, which comes complete with a load of brilliant extras like air conditioning, Bluetooth technology, metallic paint and 17 inch alloy wheels.

So join the biggest stars in the beatboxing community for a chance some fantastic verbal virtuosity and head to the Vauxhall Beatbox Championship final at Islington Academy. For more information or to book tickets, click on the Buy Tickets button below.
