Xfm Gig Picks

Too much live music and not enough time? Let Xfm guide you through the minefield of London gigs as we pick out the very best of the evening's live entertainment.

Tonight's Gig Picks:

- Another treat from NME comes in the form of **Justice** at the **Astoria**. Get down to **Tottenham Court Road** tube to see this **French** electro duo pump out some fat beats! No doubt stonking tune '**We are Your Friends**' will be on the bill. Tickets cost **£15.60** so why not get some mates involved and have a special **Valentine's Day** rave up. Don't forget you can win some amazing gig tickets with Xfm including tickets for this gig and more. Simply click [here](#) and enter our competition to win tickets for all of the NME Shows in the run up to the NME Awards.

- For those who are single and up for finding some lovin' get yourselves down to **Operator Please** who are playing at **The Works** in **Kingston** as part of the **New Slang** night. It is also a traffic lights party so you know the drill; wear some red if you're taken, orange if you're a maybe and green if your a singleton. **BangBangBang!** are supporting and there will be Dj's afterwards hitting up the dancefloor with a whole lotta indie tunes. There will also be **£2** drinks between **9-10pm** and to get in it'll cost you just **£4** with a flyer, **£5** without after **11.30pm**.
- If you fancy getting your indie stomp on to some fabulous up and coming bands, **Idle Lovers**, **The Peyps** (pronounced **The Peeps!**), **The Saudis** and **The Wutars** are going to be hitting up **Metro** on **Oxford Street**. They're hot new bands which promise to deliver so why not go with your Valentine or with a load of chums for a cheap night of live music. Get down there from **8pm** and a ticket will cost you just **£6** on the door.
- For those wanting to kill **Cupid**, totally against the forced romance, mush and smug couples then why not go to an **Anti-Valentine's** do at **Belushi's Bar** on **Borough**

High Street. It's put on by **Falling Down With Laughter** and the line up includes the dark and twisted **Andrew Lawrence**, very promising **Holly Walsh**, **James Kettle**, **Robert White**, **Tom Walker** and MCs **Alexis Dubus** and **Sy Thomas**.

- The race is on to win the **Vauxhall UK Beatbox Championships 2008** and tonight's installment comes in the form of the **London** heat. The future UK Beatbox Champion and their voicebox will have to compete in a series of one to one '**8 Mile**' style contests to take the title. Existing champion **Beardyman** will be stepping down to play judge and tonight at the **Carling Academy** in **Islington** will be the cream of the beatboxing crop battling it out. It begins at **7pm**. Prepare to be amazed!
